

Early Enrollment Day May 6, 2021
Ellicott Kindergarten and Preschool Registration for the 2021-2022 School Year

Ellicott Elementary School will host the **Kindergarten** Early Registration Day on Thursday, May 6th from 8:00 a.m. to 3:30 p.m. **There will be no school for Kindergarten students on that day.**

Parents will be able to enroll their children electronically at the school, then meet the teachers/staff and view the classrooms.

As per Ellicott School District 22 Board policy, students must turn five years old on or before October 1, 2021 to be enrolled.

It is also time to apply for next year's **Preschool Program**. Placement is based on the child's age as of October 1st, qualifying factors, and when the application is received. Students currently in the 3 year old classes will be bringing home an enrollment application packet on May 5th to fill out. These completed packets can be dropped off on May 6th or returned in the student's Thursday folder. Enrollment application packets for new families will be available at the preschool on May 6th and then anytime after that day. **There will be NO preschool classes on this day.**

Please be sure that enrollment packet information is complete with signatures and dates, and includes copies of the child's birth certificate and immunization record. This information is what determines a child's eligibility for our Colorado Preschool Program. Hearing and vision screenings will also be available.

Please call **719-683-2700 x 2250** or email **shelleyettleman@esd22.org** to set up your **Preschool Appointment for May 6th.**
